

Accessibility Statement for Attorney Website

This is an accessibility statement from Law Office of Jennifer A. Kreder, LLP.

Conformance status

The [Web Content Accessibility Guidelines \(WCAG\)](#) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. Attorney Website is fully conformant with WCAG 2.1 level AA. Fully conformant means that the content fully conforms to the accessibility standard without any exceptions.

Additional accessibility considerations

Although our goal is WCAG 2.1 Level AA conformance, we have also applied some Level AAA Success Criteria: Images of text are only used for decorative purposes. Re-authentication after a session expires does not cause loss of data. Some videos have sign language interpretation.
